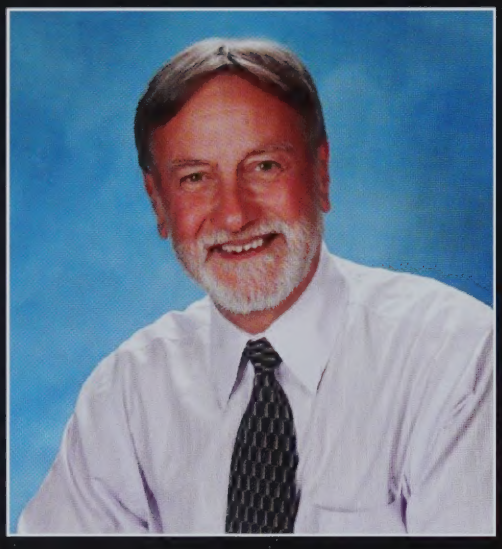
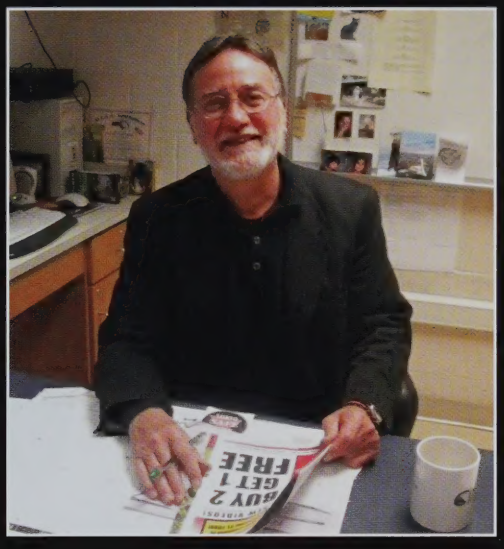
Dedication





Mr. Scott Healey has devoted 40 years to Millbury High School! The Class of 2016 would like to dedicate their yearbook to Mr. Healey in honor of his hard work and commitment throughout the years. Mr. Healey always put a smile on everyone's face during his time as a teacher, golf coach, and class advisor. His cheerful personality and spirit are greatly missed in the hallways of MHS. Mr. Healey was truly a pleasure to be around and students loved his class. We would like to thank Mr. Healey for the positive impact that he has had on the Class of 2016, as well as all of his past students. We hope you enjoy your retirement!

Sports

Girls' Soccer

The Millbury Girls' Soccer team started off their season with a bang, winning eight out of their first nine games and then repeating that same record in their final nine games as well. They ended their regular season with no losses, two ties, and sixteen wins, sending a shock through the SWCL league. The girls continued to dominate, beating out their fierce rival, Grafton, for the SWCL title and winning the MIAA Central Division 3 final for the first time in eight years. The girls' team went on to beat Granby in the State semi-finals, advancing them to play in the State championship game which has only been done once in all of Millbury soccer history. The lady Woolies finished their amazing season with a victory over Medway, making them State champions for the first time in school history.

Girls' Soccer State Champions 2015

Boys' Soccer

After coming up 1 point short of making Districts in 2014, the boys' soccer team knew something would have to be done in order to get back to their old ways. After a lot of off season hard work and training, they came back with fire and a lot to prove in 2015. They started slowly but once they got going they were tough to stop going on a seven game winning streak halfway through the season. The squad finished with a record of 13-7-1 which was enough for them to reach District play. In Districts, they played exceptional, beating Clinton in round one, and the second seeded team, Grafton, in the quarterfinals. They exceeded the expectations this year making it all the way to double overtime in the District semi-finals where they lost on a controversial penalty kick call. Overall, it was a successful season for the boys.

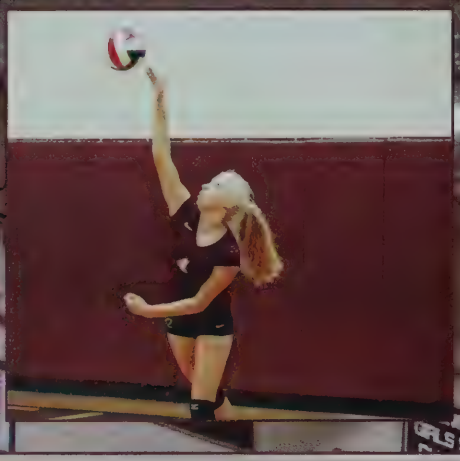
Volleyball



Out of all of the Volleyball seasons so far, this season was by far one of the most unique. A group of girls of all interests came together to play a game, a game known as volleyball. We had our ups and downs, but those only made us stronger. We will remember our ups as times of excitement and triumph. We finished the season in the second round of Districts, but no matter the outcome, our motto stays the same. Lunas forever.

"Keep calm and volleyball on!"

Golf

This season went well with the Golf team winning eleven matches. We went into the season not knowing how good we were going to be at all, with the top 6 players being only 1 senior, 4 sophomores, and a 7th grader. Overtime we came together as a team to have some big wins over schools such as Auburn, Oxford, and Bartlett. We ended up coming in third place in the SWCL tournament out of 12 schools. With our record, we also qualified for districts, although we didn't do so well. However, Devin Weaver made States with his District score. Overall the season went better than expected.

Football

With the loss of 14 seniors and 10 starting players on defense, the boys' Varsity Football team had many young players. The six seniors didn't add much experience either. The season did not go as expected, and many things didn't go our way. The loss of some key components early in the season became too much to overcome. The young team played tough but made too many mistakes. However, the team has a promising future with a lot of young talent. The amount of players from eighth grade to tenth grade look to be successful throughout the next couple of years.

"Family Forever!"

Boys' Cross Country

The Millbury Boys' Cross Country team did well this season. It was the first time the team has had a winning record in several years. Even though our team is very young, that did not stop us from working hard and getting seven wins. We did suffer five losses this season, but did not lose by a lot. We won against Auburn for the first time in years. Our record shows the hard work we put in. Overall, our season was very successful.

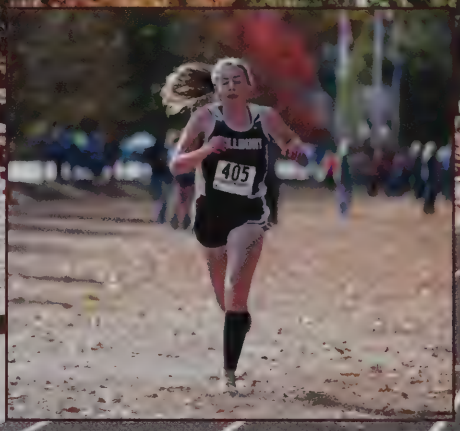
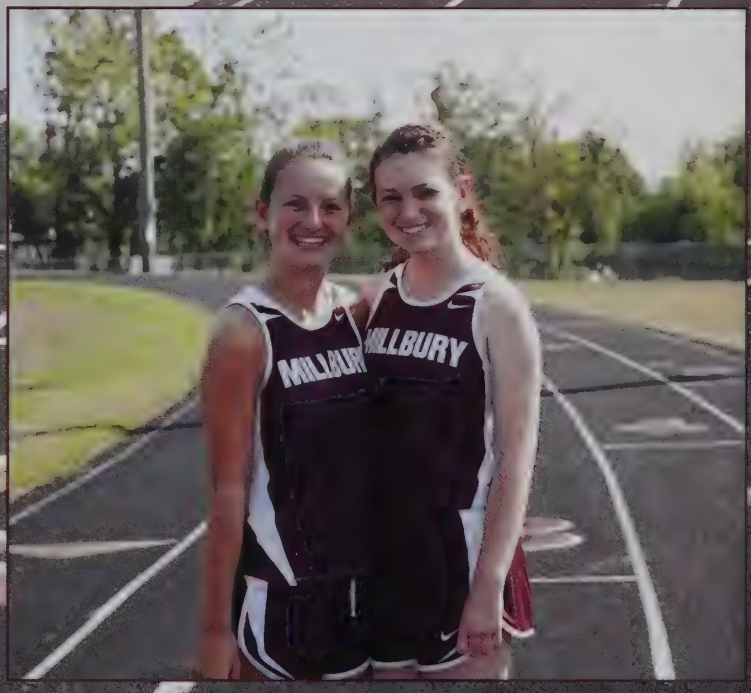
Girls' Cross Country





The Girls' Cross Country Team had a great season, finishing with an 11-1 record and earning the title of co-SWCL champions. They worked hard all season pushing themselves every mile, and killing every hill. The team was led by state qualifier, junior, Angie DiDomenica, and closely followed by Emma Talbot, Rowan Luff, Ally Pogorek, and Cecelia Hughes. Alexis Violette and Keryn Reno rounded the top seven. The girls created many unforgettable memories together, including: running in 37 degree weather (20 degree wind chill) at Districts; screaming songs on the shared bus with Grafton; learning sign language as they ran up Shaw Hill; and finally running together in packs during the weaker races. Overall, the Girls' Cross Country team had a very successful season.

Girls' Indoor Track

The 2015-2016 indoor track team was one of the largest teams yet. As a large team, other athletes would expect us not to be as close as a regular team. With all of the sweat and endurance shown in our workouts everyday, we became closer and closer. We had a lot of talent from all ages, especially the upcoming junior high athletes who stepped up when needed. The coaches this year developed a bond with the athletes that will never end. Coaches Settle, Whitson, and Bernard made practices worthwhile and difficult for us everyday. Our hard work paid off during the meets as we had multiple standout athletes in events. Two of our girls qualified for the state meet, which is extremely competitive. Junior Angie DiDominica and eighth grader Mary Martocci were huge contributors to our team with their skills. We also had some very strong relay teams. This track season was a lot of fun as we all spent countless hours running together. Hard work and talent was exhibited by all of the girls on our team.

"Racing teaches us to challenge ourselves. It teaches us to push beyond where we thought we could go. It helps us to find out what we are made of. This is what we do. This is what it's all about." -PattiSue Plumer

Boys' Indoor Track

This was the first stable season for the boys' indoor track team in a couple of years. The coaches (Settle, Bernard, and Whitson) really trained the team to excel. The team was fairly new, but they were set on the course to become good track athletes. Although there were some tough meets, the boys, led by captains Noah McDuffie, Andrew Turco, and Joel Gardner, had the best season that they have had in a while.

Girls' Basketball

The girls' basketball team had a dominant season once again. They contiued their SWCL winning streak and became undefeated league champions for the second year in a row. Their league streak now reaches back to 2014 and is currently at 41! The girls' team dominated the regular season, losing only two games and beating many teams very easily. Their defense was the best around CMASS, only averaging giving up a stellar 27.0 points per game. Their defense frustrated other teams and helped the Lady Woolies earn many of their wins. The girls had many contributions from all their players this year, and the teamwork was the best that it could have been. This season the girls team started Keryn Reno, Mikaela Mitchell, Ariel Dubey, McKenna Kennedy, and Jenna Nasuti. This team (along with contributions off the bench) set the Millbury girls' basketball record for the most assists with a total of 317 over the course of the season. Although this year's season ended in a heartbreak for the girls' team, they had a great season and accomplished so much together. This was another successful year for the Millbury girls' basketball program and they will definitely be another elite team next year.

"Being perfect is about being able to look your friends in the eyes and know that you didn't let them down, because you told them the truth. And that truth is that you did everything that you could; there wasn't one more thing you could've done."

Boys' Basketball

The 2015-2016 season for the Millbury boys' basketball team had some ups and some downs. We finished the season with a dismal record of 3 wins and 16 losses. Although we did not finish so well, our record does not reflect the hard work our whole team put in and how much fun we had throughout the season. A special thanks goes out to our first year coach, James Roach, for coming into a completely new program and keeping a positive outlook the whole way through. Also, thanks to all of the seniors for their participation in Millbury basketball throughout their days at MHS.

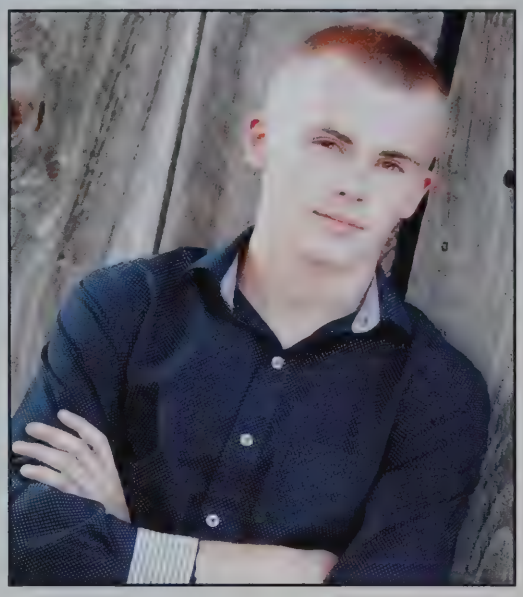
Devon,
You have made me proud since the moment you were born. I'll never forget your big blue eyes staring back at me the first time we saw each other. It was, and remains to be, the happiest moment of my life. You have been successful in everything that you have put your heart and mind into. You have always been mature beyond your years, smarter than you should have been for you age, passionate for music, art and history, a phenomenal self-taught guitar player, "so cool" as one of your teachers described you, and the absolute best son a mother could ask for. Every ending is a new beginning. You are now just beginning your own journey. I have faith knowing that you will absolutely succeed in anything that you want to accomplish. But please remember that it's ok to fail sometimes. You are human - perfect to me - but still human. Go for your dreams Dev. Reach as far and as high as you want. You have nothing in your way. You are an amazing individual and you will go far. You are the Ace of Spades Bud.
I love you, Mom



Dev,
To be proud of someone is to love and respect them. To see that person work hard and exceed your expectations. You have done more than that as I have watched you grow into the amazing man that you are today. I know it isn't easy when families come together, as ours did. But I am proud to say that you are my son and I know that you will succeed in anything that you put your mind and your heart into.
Love,"Fake Daddy"

Austin,
We don't know how to put this but...
You're kind of a big deal
People know you
You're very important
You will have many leather bound books
and your apartment will
smell of rich mahogany

You worked hard, you were devoted to your goals and you achieved amazing results!
We are **so** very proud of you and know there are **great** things ahead in your future.

Congratulations & much love~

We've found over a million ways to make a difference.

Millbury Savings has been an integral part of the community for more than 160 years. In that time, we've come to believe that to be a good bank, you have to be a good neighbor. That's why we're proud of our long history of giving back generously to the neighborhoods we serve.

In the past two decades alone, we've provided nearly $1.2 million in charitable contributions and other support to a variety of local organizations that help enrich lives and bring people together.

We're looking out for you.
